Education

Friedrich-Alexander University Erlangen-Nuremberg (FAU) — Erlangen, Germany
Master of Science in Artificial Intelligence — *Oct 2021 – Present*

Courses: *Artificial Intelligence I, Human Computer Interaction (HCI), Cognitive Neuroscience for AI Developers (CNAID)*

North South University (NSU) — Dhaka, Bangladesh
BS in Computer Science and Engineering; CGPA: 3.66 out of 4.00 (89%-90%) — *Jan 2015 – Dec 2018*

Dissertation Topic: *Kothamala - A Bangla Speech Recognition Engine*

Financial Aid: *Awarded a 25% merit-based tuition waiver by NSU from 2nd semester (Summer'15) until my graduation (Fall'18)*

Experience

Working Student - Automation — Jul 2022 – Present
Elektrobit Automotive GmbH — *Erlangen, Germany*

- Currently working on the emergency update automation for Volkswagen's electric car.

Project Coordinator — Feb 2020 – Dec 2020, Apr 2021 – Jan 2022
Robi Axiata Limited*, Department of Analytics Center of Excellence* — *Dhaka, Bangladesh*

- **Projects:** Technology up-gradation from 3G to 4G (U900 to L900, U21 to L21), L18 integration & LTE bandwidth expansion from 10 to 12 MHz, MIMO integration, and Antenna Optimization.
- **Microsoft Kaizala Message Alert System:** Developed a Microsoft Kaizala Message Alert System which can automatically catch a few specific degradations of network KPIs and send a message alert including all the required degradation details to a Kaizala group.
- **General Responsibilities:**
  - Analyze network performance KPI of 2G, 3G, and LTE for both Ericsson and Huawei vendors.
  - Develop and tune SQL queries, including SQL based DB reporting.
  - Analyze and performance reporting of assigned projects, e.g., Pre-Post analysis, identifying bad performing cells, etc.

Lab Officer — Jan 2019 – Dec 2019
North South University*, Department of Electrical & Computer Engineering* — *Dhaka, Bangladesh*

- **Conduct lab classes for the following courses:** Fundamentals of Programming Language Using C, OOP Using Java, Data Structures and Algorithms, Database Systems.
- **Responsibilities:** Designing course curriculum & conducting lab classes; Arrange & evaluate assignments, exams, and projects; Invigilate during exams & assist for grading.

Under-Graduate Assistant — Jan 2019 – Apr 2019
North South University*, Department of Electrical & Computer Engineering* — *Dhaka, Bangladesh*

- Assisted faculty members in CSE115 (Programming Language I) course which is Fundamentals of Programming Language.
- **Responsibilities:** Conduct tutorial sessions for students needing extra help outside of class hours; Grading of home-works, assignments and assist faculty members in their course-related work.

Publications

Bangla Short Speech Commands Recognition Using Convolutional Neural Networks: Published in *1st International Conference on Bangla Speech and Language Processing (ICBSLP)*, pp. 1-6, 2018. (doi.org/10.1109/ICBSLP.2018.8554395)

Early Detection of Glaucoma Using Fuzzy Logic in Bangladesh Context: Published in *9th International Conference on Intelligent Systems (IS'18)*, pp. 87-93, 2018. (doi.org/10.1109/IS.2018.8710490)

Skills Summary

Programming Languages: Python (frequently used), JAVA, C, C++, SQL

Frameworks & Libraries: Numpy, Pandas, SciPy, Scikit-learn, Keras, Matplotlib, Seaborn

Database: Relational database - Oracle, MySQL, and NoSQL database - MongoDB

Version Control System & Simulation Tools: GitHub, Matlab, Logisim

Tools, Software & Platforms: MS Office & Office365 (Word, PowerPoint, Excel, Teams, Outlook), LaTeX, Linux

Soft Skills: Data Visualization & Dashboarding, Data Management & Analysis, Analytical Report Writing, Automation

Extracurricular Activities

NSU Problem Solvers (NSUPS) — Dhaka, Bangladesh
Member — *2015 – 2016*

Got involved with this community and had the opportunity to participate in several programming competitions organized by NSUPS.

JAAGO Foundation & Volunteer for Bangladesh (VBD) — Dhaka, Bangladesh
Volunteer — *2014 – 2015*

Attended several events organized by JAAGO & VBD, including World Environment Day, Universal Children's Day and The Great Kindness Challenge.
