OBJECTIVE

Enthusiastic, highly-motivated Computer Science graduate with proven teaching, analysis and volunteering competencies who likes to take initiatives and seeks new challenges. I have great interest in the field of Machine Learning and Data Science particularly devising a better problem-solving method for complicated tasks while learning new technologies and tools.

EDUCATION

North South University — **Bashundhara R/A, Dhaka**
Bachelor of Science in Computer Science and Engineering; CGPA: 3.66/4.00 — *Jan 2015 – Dec 2018*

Dhaka College — **Dhanmondi, Dhaka**
Higher Secondary Certificate; GPA: 5.00/5.00 — *2011 – 2013*

Rampura Ekramunnesa Boys' High School — **Rampura, Dhaka**
Secondary School Certificate; GPA: 5.00/5.00 — *2009 – 2011*

- Core responsibilities are to check and analyze the Key Performance Indicators (KPIs) from the vast amount of data of newly upgraded sites and share feedback with the corresponding departments or vendors (e.g., Huawei, Ericsson).
- Currently, working on a project whose goal is to build a custom conversational chatbot that can interact with group members of **Microsoft Kaizala**, follow instructions, and send feedback accordingly.

North South University — **Bashundhara R/A, Dhaka**
***Lab Officer**, Department of Electrical & Computer Engineering* — *Spring 2019 – Fall 2019*

- **Conduct lab classes for the following courses:**
  - CSE 115L (Programming Language I Lab): Summer 2019, Fall 2019
  - CSE 215L (Programming Language II Lab): Summer 2019, Spring 2019, Fall 2019
  - CSE 225L (Data Structures and Algorithms Lab): Fall 2019
  - CSE 311L (Database Systems Lab): Spring 2019
- **Responsibilities:**
  - Designing course curriculum and conducting lab classes
  - Arrange and evaluate assignments, exams, and projects
  - Invigilate during exams and assist for grading

North South University — **Bashundhara R/A, Dhaka**
***Under-Graduate Assistant**, Department of Electrical & Computer Engineering* — *Spring 2019*

PROJECTS

- **Stroke Risk Prediction:** Several Machine Learning techniques such as Logistic Regression, Support Vector Classifier, etc along with Synthetic Minority Over-sampling Technique (SMOTE) has been used to predict the risk of stroke on 16 different features excluding the class.
- **Bengali Short Speech Commands Recognition:** A robust dataset has been collected with 50 classes which is first of its kind in the context of Bangladesh. Purpose of the project was to classify Bengali short speech command using Convolutional Neural Network (CNN).

SKILLS

- **Programming Languages:** Python (Frequently used), JAVA, C, C++, SQL
- **Machine Learning, Deep Learning and Visualization Libraries:**
  - Python based libraries: Numpy, Pandas, SciPy
  - Machine Learning library: Scikit-learn
  - Deep Learning library: Keras
  - Visualization: Matplotlib, Plotly, Seaborn
- **Database:** Relational database - MySQL, and NoSQL database - MongoDB
- **Version Control Tools:** GitHub
- **Simulation Tools and Others:** Matlab, Logisim
- **Packages:** MS Word, MS PowerPoint, MS Excel and LaTeX.
- **Languages:** Bengali (Native), and English (Proficient).

EXTRACURRICULAR ACTIVITIES

NSU Problem Solvers (NSUPS) **Bashundhara R/A, Dhaka**
Member *2015 – 2016*

- NSU Problem Solvers (NSUPS) is a problem-solving community based on North South University and this community's primary purpose is to help beginner students get involved in competitive programming. However, I got involved with this community at the beginning of my undergraduate life and had the opportunity to participate in several programming competitions organized by NSUPS.

JAAGO Foundation **Banani, Dhaka**
Volunteer *2014 – 2015*

- JAAGO Foundation is an organization established in early 2007, which works for the betterment of the nation through fulfilling the educational needs of children living below the poverty line. Besides, **Volunteer for Bangladesh (VBD)** is a non-political volunteer and youth wing of JAAGO, which provides the youth of Bangladesh a voice and platform to contribute to nation-building.
- I started working as a volunteer at VBD, Dhaka division, since 2014. Throughout this period, I attended several events organized by JAAGO and VBD, and some notable events were Universal Children's Day, World Environment Day, and The Great Kindness Challenge.

SCHOLARSHIP & ACHIEVEMENTS

- **Financial Aid:** Achieved 25% tuition waiver from North South University *Summer 2015 – Fall 2018*
- **Honors in BS:** *Magna Cum Laude*, Graduating class of 2019, 22nd Convocation of NSU *March 2019*
